

TEAM Northeast Region Newsletter

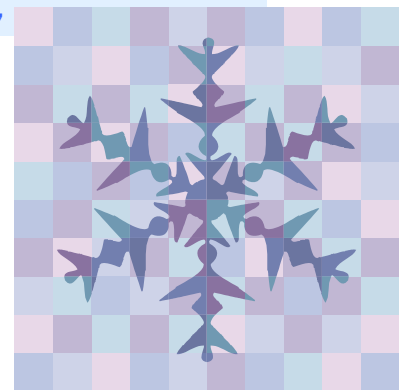

Dear TEAM members

This is to wish you all a Happy and Healthy New Year!

We have been bombarded by winter snow and ice. Some of us had no electricity for days and weeks. For those of you who don't know country, that means no cooking,, no heat, water or toi-

let.....not to mention computers and TVs. I for one will certainly welcome spring. On a positive note, what a great opportunity for painting materials.

Sincerely,
Kathi Sojka,
Vice president,

Pam Mendel moved again. She gave me an erasable address book to keep up with her.

Pat Riley is doing well. Her attitude is great and

has even started to teach a few classes. Keep her in your prayers for continued recovery.

Barbara Moen's mother is in critical condition. Please keep June Moen in your prayers.

HELPFUL TIP

When applying masking tape to water color paper, lean the sticky side on your clothes the small amount of lint will help to the tape without tearing the paper.

VP Tip

Get out those home-made soup and stew recipes. This is the perfect comfort food to warm body and soul.

Stay well!
