## PRESIDENTS COMMENTS

**OH DEAR!!! WHAT A DILEMMA!! TIME HAS SLIPPED AWAY AND SOME HAVE NOT REGISTERED FOR ST. SIMON'S REGIONAL MEETING. SOME HAVE NOT PAID THEIR DUES. But be of good cheer, we still have some openings if you register before March 10. After that date we may not get accommodations. Some of the classes are full, so be sure to mark your alternative selections. We so much want you to be at this great meeting. WE will all be going HAWAIIAN for that weekend. WHAT FUN !!!!! WE will paint, paint, paint, day and night, as well as share technique and have fun with our painting family. What a**

**great reunion of members both old and new to share friendships and love. I want to thank Sylvia Wilkinson and her wonderful committee for all the work and preparation in putting together this year's meeting. No one knows how much time is spent on such a meeting unless you have been involved. The committee needs all the help and volunteers possible for many tasks, so feel free to offer your assistance. Contact Sylvia for this.**

**A supply list for classes has been sent out to everyone, if you need a list, contact Sylvia. GLORIA STEGMAN TEAM SE REGIONAL LEADER**

I invite you to take time not only to look over the SE Region newsletters, past included, but take time to read the newsletter from the other TEAM regions. It will keep you updated with what is happening across the nation. Remember, we in the SE are only a part of the greater picture of TEAM members.

**PLEASE REFER TO FEBRUARY ISSUE FOR MUCH MORE INFORMATION OF ST. SIMON'S MEETING.**

**REFER TO THE CALENDAR ON HOME PAGES FOR CLASSES AND EVENTS.**

I was so pleased to get a call from a former TEAM member and student from Canada, Emil Racette, who wished me a happy birthday. He said that he has been doing some teaching, until his students moved away. He painted 8 steam engine trains and sold 6 of them for a very good price. I am so happy for him. He used to come to Florida for the winter, but now only comes to go on cruises with his children. He always comments on how thankful he is that I taught him how to paint. What a special persons he and his wife are. One of my students who has been painting for 25 years and has a co-op gallery in Canada just won an award and has a painting featured in Canadian Brushstrokes magazine. She was kind enough to mention my name and Valerie Stewart as her helpful teachers. It is honorable to give credit to those that have helped you along your painting career.

WE encourage everyone to pass along the knowledge and techniques of art. You do not have to have a degree to show someone else what you have learned. Just show and tell someone else what you know and they can take the information and run with it. We have grateful students that always thank us for showing them the way. I honor very much each teacher that I have learned from to open the way into the world of creativity. If your mind and heart is open you will learn something from every art teacher, a new technique, a way of teaching, a new tip, a new outlook on seeing, and also what not to do, or negative attitudes and words. You will experience them all. The journey is well worth the trip.

### INTERESTING

You might find this interesting, the morphing of faces of women of famous paintings.

<http://www.youtube.com/watch?v=nUDIoN-Hxs&sns=em> The video of Women in

Art is also of value to view. I clicked on drawing the realistic eye,

and found several how-to draw videos on the parts of the face. Gloria

**Lisa Grinter** suggested it would be wonderful to have a history of TEAM written up. We have a short write up in our Website “about us”, but if anyone would like to make a project of this, some of us that date “way back” would be glad to contribute info. It would be a worthwhile project. Este and I have attended every National Conference, and all of the SE Regional meetings.

Este has also attended most of the certifications and many other meetings. At present she is overwhelmed with the health of her husband so cannot take on such a project. Many others such as regional leaders and long time members are still active in TEAM. This gives you some idea of the value of belonging to TEAM and promoting art. We are passing on a legacy to others and to younger generations to continue creating beauty and therapy generated thru art. And anyone who has had the opportunity to sit around after hours and listen to some of the hilarious stories from the past know this would be a great read.

I am sorry to hear that Kay Bishop has had a series of health issues and will not be able to come to St. Simon. Get well Kay.

### MEMBERS' HOUSE BURNS.

Dear Team, Debbie Faucette's Son and family lost their home and all possessions on February 10, 2012 to a fire. Nichole Raney, her daughter in law, is a team member and has been to St. Simons with us several times. Anyone that has been through this themselves or had family that has lost their home, know how hard this is to handle and get back on their feet. We are asking for money donations from any of the group to be sent to me, Anne Robinson, 126 Malcolm St., Macon NC. 27551 as soon as possible to help with their immediate needs. All donations enclosed in a card will be passed on to the family as is, and all donations otherwise will be enclosed with your name in a common card from the group. Team is a very important part of our extended family for all our members. Please keep them in your prayers, and thank you for all your help. Anne

Hello folks.....

**Thank you, thank you, thank you for your loving responses to the needs of the Raney family. You are a terrific group of caring people! Let us encourage those of you who haven't responded yet, to search your hearts and help us show our love and caring to one of us. Their need is great. All they had from the fire was the clothes on their backs. Imagine ourselves in just such a dire situation and know how much every help-aid would mean to us. Send your love gifts and thoughts to Anne and she will get them to the Raney family quickly. And above all....keep them in your prayers.**

## **ST. SIMON'S MEETING**

Now that the holidays are over it is time for a new beginning. I suggest you make plans to be at the S.E. Regional meeting in St. Simon's on March 29 thru April 1. If you need another brochure or registration form, check our website at [www.artteachers.org](http://www.artteachers.org) or you may reply to this email and I will be glad to send to you. So you want to take all the classes but can't, never fear. Each class teacher will have extra packets you may buy from them for \$15.00 at the meeting.

We have a wonderful selection of classes and our featured artists will be Brenda Harris and Dorothy Dent. But remember there is a maximum number for these classes. But there are other classes being offered as well. No one will be left out.....Sign up now. The DEADLINE is **MARCH 10**.

When you come to the meeting, don't forget the COUNTRY STORE, RAFFLE TABLE NEEDS MERCHANDISE TO SELL. THOSE ITEMS YOU RECEIVED FOR CHRISTMAS THAT YOU CANNOT WEAR, DON'T NEED, DON'T LIKE AND DON'T WANT, ARE ALL THINGS WE CAN USE. It goes without saying that one person's junk is another person's treasure. So, we need your

treasures for others. One question for you.... Are you working on your painting(s) to include in the Wall Of Art competition? We have two categories so you will have a better chance of winning than in the past. We will be separating the portraits into a separate category called "Living creatures". Everything else will go into the other category. So don't be left out. We look forward to seeing you at this meeting. The registrations are beginning to come in now since the holidays are over. Dorothy's Friday class is nearly full and Saturday's class is gaining with every day's mail. More openings in Sunday's class and Brenda's class. Other classes are filling up as well.

**DON'T MISS  
OUT ON ALL  
THE FUN**

**HURRY, HURRY, HURRY!** so you won't miss out.
